Motivation

1. Invoke the spirit of otaku

Proposed Idea

1. https://www.youtube.com/watch?v=IINyowbMqJI
2. http://qz.com/654669/nothing-is-real-german-scientists-figured-out-a-way-to-make-putin-and-trump-say-anything/

Algorithm

1. Use RealSense to capture facial expression
2. Analyze which kind of facial expression it is, e.g. smile, frawn, ...
3. Present at 2D model
